

How IT Projects Really Work (version 1.5) - Portuguese

Create your own cartoon at www.projectcartoon.com

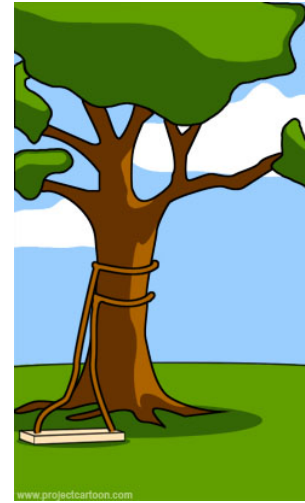

Como o cliente o explicou

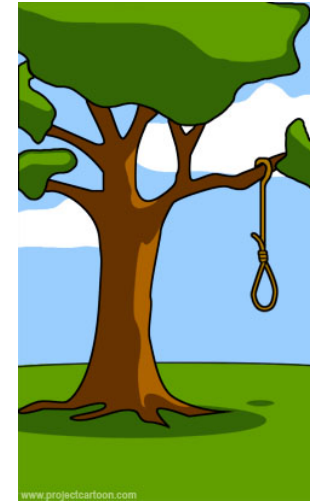

Como o IÁ-der do projecto o entendeu

Como o analista o desenhou

Como o programador o escreveu

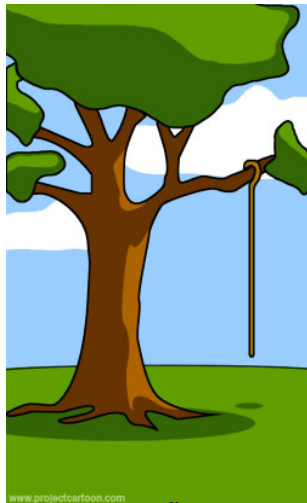

O que os beta testers receberam

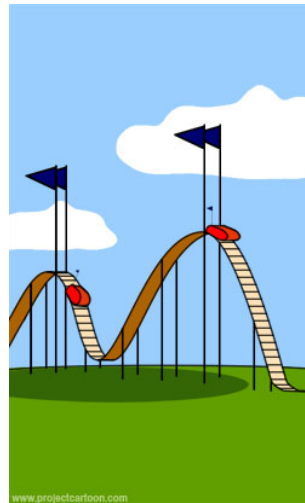

Como o consultor de negócios o descreveu

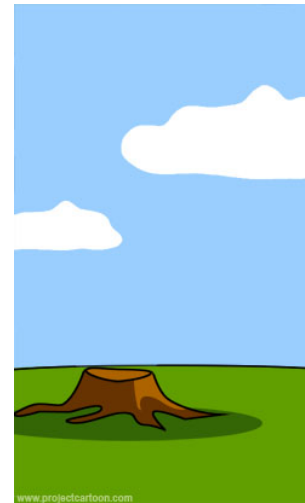

Como o projecto foi documentado

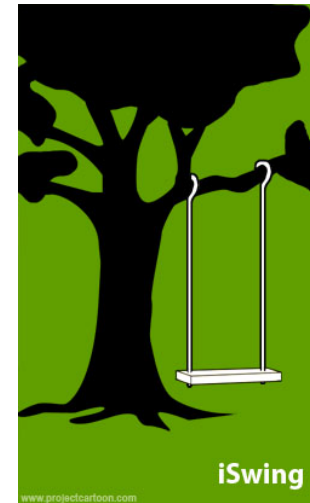

O que os tÁ©cnicos instalaram

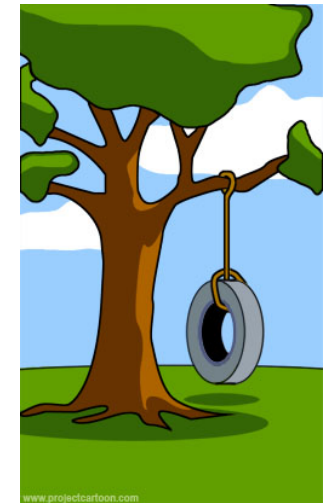

Como facturaram ao cliente

Como foi o suporte tÁ©cnico

O que o marketing publicitou

O que o cliente realmente precisava
