

How IT Projects Really Work (version 1.5) - French

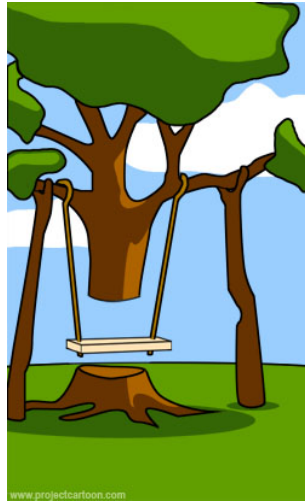

Create your own cartoon at www.projectcartoon.com

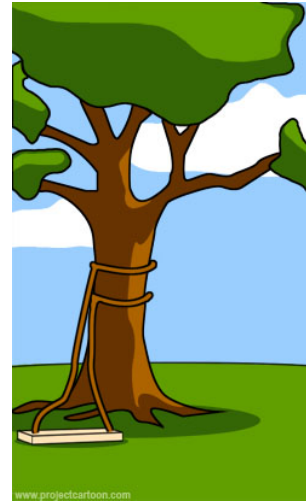

Ce que le client a expliqué

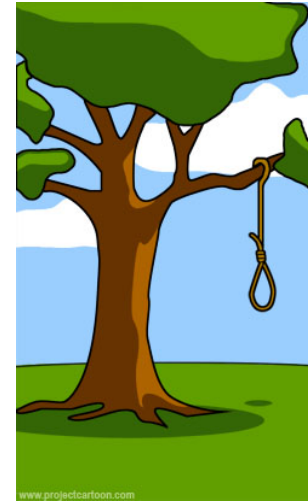

Ce qu'a compris le chef de projet

Ce que l'analyste a conçu

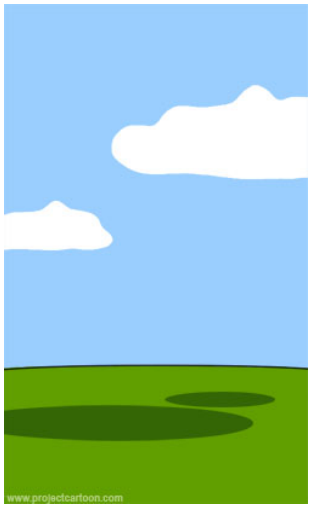

Ce que le développeur a fait

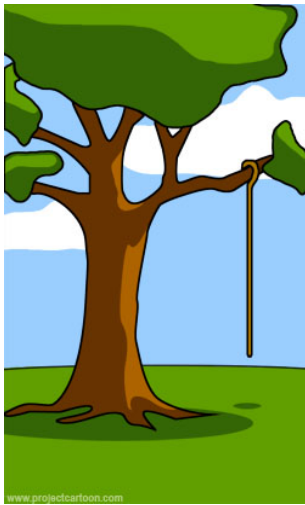

Ce que les bêta-testeurs ont reçu

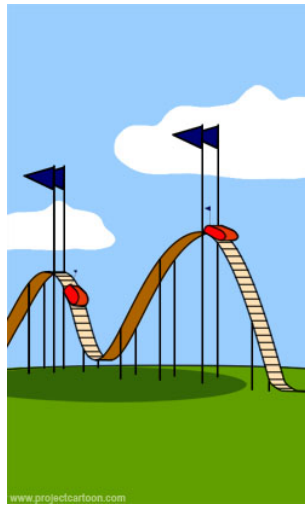

Comment les commerciaux l'ont décrit

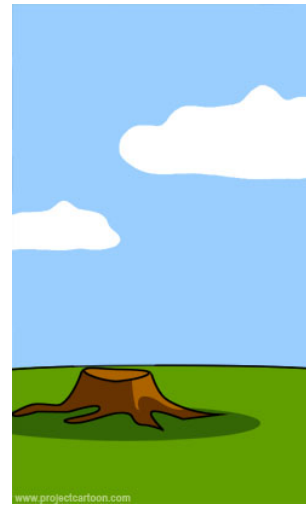

Comment le projet a été documenté

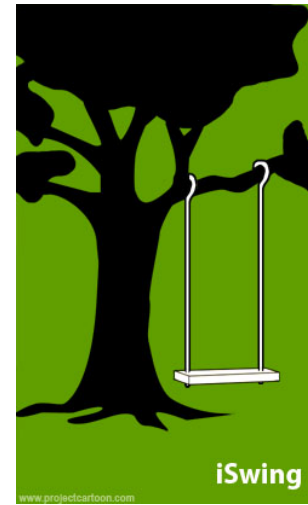

Ce que la production a installé

Ce que le client a facturé

Ce que l'assistance a apporté

Ce que le marketing a vendu

Ce dont le client avait vraiment besoin
